**Vision Statement**

To educate, engage and inspire students in a learning environment that models the values of integrity, teamwork, perseverance and personal responsibility, and where respect is the foundation of productive relationships, such that each graduate possesses the knowledge and character to meet the challenges of learning, working and living in the 21st Century.

The School will provide a comprehensive, positive educational experience that will impart to each student the knowledge, desire, and confidence needed to succeed in reaching his/her goals. The School will strive to motivate, teach, and guide each student through his/her educational growth and development. This will be accomplished by emphasizing the development of both cognitive and social skills. Stark High School offers a safe, secure, clean environment, and researched field-tested educational programs that have proven very successful in educating at-risk students.

**Sponsor Statement**

Ohio Council of Community Schools (OCCS) uses various methods to evaluate the school's performance including published tests and other academic scores such as the Ohio Department of Education Local Report Card and supporting data. OCCS regional representatives visit our partner schools regularly ensuring compliance with federal, state, and contractual requirements. The results of this monitoring for the 2021-2022 school year are published in the 2021-2022 Ohio Council of Community Schools Annual Report, available after November 30 at [www.ohioschools.org](http://www.ohioschools.org)

**Mission Statement**

To provide students the academic and life skills needed for post-graduation success by incorporating research-based best practices in an innovative and safe learning environment.

This mission will be served by providing the School's students with a personalized academic plan including post-secondary exploration implemented in an environment that is responsive to its students' needs, and by providing an educational experience that leads to a high school diploma (not a GED) and post-secondary success.

2021 - 2022 Report Card for **Stark High School**

Schools that receive the dropout prevention and recovery report card receive ratings for up to eight measures and four components.

**Achievement Component**

The Achievement component, previously called the High School Test Passage Rate component, represents the number of students who meet applicable criteria on assessments that are required for graduation.

**Progress**

The Progress component looks closely at the growth all students are making during the school year.

**Gap Closing**

This component shows how well schools are improving or meeting the performance expectations for all students in English language arts, math, graduation, and English language proficiency.

**Meets Standards Rating**

**Graduation Rate**

The Graduation Rate component looks at the percent of students who are successfully finishing high school with a diploma in four, five, six, seven or eight years.
