Our College & Career Week was a success!

At our College and Career Fair students and families had the opportunity to meet with representatives from military branches, Opportunities for Ohioans with Disabilities, Goodwill Employment, Matrix Trade Institute, Stark State, Kent State Stark, Bethel University, Walsh University, Malone University, and several local businesses currently hiring.

One of our favorite parts of our Career Week was our "Career Spotlights" each day. Guest speakers came in to talk to our students about their personal path from high school to where they are now with their careers. We had spotlights from careers in Military, Construction, Healthcare, Barber, Mechanic, and Art.

We finished Career Week with our wax museum projects. Students have been working hard over the last few weeks and researching a career of their interest. They created a poster or brochure, dressed the part, and presented information to their audience. We are so proud of their hard work!

Holiday Celebration Spaghetti Dinner

To celebrate the holidays with our students and families, Stark High School and our Culinary Arts Program are hosting a holiday spaghetti dinner on December 17th from 5-7pm to celebrate our students and families going into winter break. We look forward to seeing you there!

Psst...Santa will be here!
