Earn It Day

On February 18th, all our under 18 learners are OFF SCHOOL. This is a Professional Development Day. We will be have Earn It Day for our Adult students.

This is a day dedicated to our adult students! Available to current, previous, and new students ages 18-21.

Breakfast and lunch will be catered!

Our teachers will be available to sit one on one with adult students and help them complete work and earn credits necessary for their graduation.

We want your input!

We want to know what we could do to best meet the needs of your student. What kinds of barriers/family needs effect their attendance in school? What could we do to better to meet the needs of your student?

We will be sending out a survey to further understand these needs.

Your input is appreciated!
